

Jesus wears the face of
the hungry who need to be fed,

quenched,

the naked that cry out to be
clothed,

the homeless that hope to be
housed,

the sick that search for comfort,

the lonely that long to be loved,

the prisoner that needs a friend.

Jesus gives us,
his love to be loved,
his life to be lived,
his light to be shone,
his word to be spoken,
and his joy to be shared with

♥ ♥ ♥ ♥ ♥ the world.
