5th Sunday of Easter: “I am the Way, the truth and the Life”

All the content below is for you to make your own, please do read through it, pick what would work best for your children and would best engage them.

Rest assured of my prayers for your family and you this coming week!

Here are some suggestions.

Activity one: Think about what Jesus teaches us about the Ways to follow him? What do you do in your daily life to follow the way Jesus showed us how to live?

What could you do today to be more like Jesus?

Activity two: Make a timeline of your life (there is an example in the video).

Get a piece of paper and draw yourself a long timeline (like a big snake!)

Then think about all the special moments in your life to date. You might like to talk to your family to help you remember them all. You can put down: your christening, starting school or nursery, special holidays, family celebrations, your first holy communion.

Mark them on your timeline with your age. Decorate and colour your personal timeline.

What is going to be happening next? Remember to include things in the future you are looking forward to.

Activity three: Make a map! (there is an example in the video).

Get a piece of paper. Start from your home and draw a map of a favourite walk or bike ride. Draw the route – what do you see when you go for a walk? Who do you think about? Perhaps you could go on the walk with your map later in the week? Could you say a special prayer on your walk?
